

Botulinum Toxin Treatment Assistance Programs

Some blepharospasm patients are finding it difficult to pay for their injection treatments. Below are two programs that may help those who qualify.

The **BOTOX PATIENT ASSISTANCE® PROGRAM** is dedicated to helping financially eligible patients. There are certain financial and other requirements that must be met to qualify for the program. Patient must:

- Be uninsured or underinsured
- Have income less than or equal to 500% of the Federal Poverty Level
- Be a resident of the United States or Puerto Rico

More information is available at: <https://www.abbvie.com/patients/patient-assistance/allergan-patient-assistance-program.html> or by calling the Botox hotline: 1-800-44-BOTOX (1-800-442-6869). A Reimbursement Counselor can help answer any questions and send you an application.

The **XEOMIN® PATIENT SAVINGS PROGRAM** is designed to support eligible patients with their actual out-of-pocket XEOMIN medication costs and related administration fees, up to a maximum amount of \$3,500 per rolling 12-month period. The initial 12-month period begins with a patient's acceptance into the Program (no earlier than July 1, 2016). To be eligible, patient must:

- Be a clinically appropriate patient for therapeutic treatment with XEOMIN, as determined by your doctor
- Be prescribed XEOMIN®
- Be at least 18 years of age
- Have commercial insurance that covers XEOMIN medication cost
- Not be enrolled in a state or federally funded prescription insurance program. Further restrictions apply to eligibility and reimbursable expenses.
